About Us

605 Running Company began as a running retail store in 2014, committed to supporting the running community across South Dakota. Over the years, we've grown to offer more than just gear - expanding into race timing services to meet the need as a trusted, local provider. Our team travels statewide, offering expertise in race registration and accurate computerized timing for fundraising events and races of all sizes. With a focus on precision and professionalism, we are proud to be South Dakota's local race timing partner, helping ensure each event is a success from start to finish.

Why Choose 605 Running Company?

Event Awards: With each standard timing fee agreement, we include 605 Running Company gift cards to be used as awards for event participants. These gift cards can be distributed as prizes to recognize and reward participants. Amount to be determined upon agreement.

Partnering with 605 Running Company means you're supporting a dedicated local business committed to the South Dakota community. As a locally owned and operated company, we pride ourselves on fostering local connections and contributing to the regional economy. By choosing us, you're not only ensuring high-quality race timing services but also helping to sustain and grow a business that actively invests in and supports our local community.

Trust is essential in event timing, and when you partner with 605 Running Company, you can count on our unwavering commitment from start to finish. We guarantee the quality and reliability of all our services, ensuring that every aspect of your event timing is handled with the utmost professionalism and precision. Your event's success is our top priority, and we're dedicated to being there for you every step of the way.

Terms & Conditions

Deposit: A non-refundable deposit of \$100 is required to secure timing services for all events. This deposit is applied toward the total cost of services.

Payment: The balance of the standard timing fee is due no later than 14 days prior to the event. Failure to submit payment may result in the cancellation of services. Additional fees will be invoiced no later than 2 full business days following the event's completion. Full payment for additional fees is due no later than 30 days from the invoice date. A 7% interest fee will be applied to any outstanding balances after this period.

Cancellation Policy: In the event of a cancellation, 605 Running Company does not offer refunds. However, standard timing fees (excluding mileage and accommodation fees) will be deferred to the following year's event, allowing clients to reschedule without additional cost for timing services.

Mileage & Accommodation Fees: Mileage fees (based on round trip travel to and from the event) and accommodation fees (for events 50 miles or more from Sioux Falls) are not eligible for deferral or refund and will apply regardless of event rescheduling.

Overage Fees: If the event exceeds the allotted hours listed in the agreement, an additional fee of \$100 per hour will be charged.

Force Majeure: 605 Running Company shall not be held liable for any delay or failure to provide services due to circumstances beyond our control, including but not limited to acts of nature, government restrictions, or other unforeseeable events.

Data Management: To ensure accurate race bib assignment and participant timing, we require the use of our approved registration platforms or a participation spreadsheet. The spreadsheet must include participants' first and last names, age or date of birth, and email addresses. This information must be submitted no later than 1 full business day prior to the event date. Additionally, we will manage results communication and customer service inquiries via email with event participants.

Approved Registration Platforms: We accept the following registration platforms: RunSignUp and ChronoTrack. We can assist with the setup and configuration of these platforms to ensure a smooth process. If you use an alternative platform, please provide the required data fields (first and last names, age or DOB, and email address) in a spreadsheet format as described above.
